Education

Bachelor of Technology(CSE) with 8+ CGPA, GLA University 2022 - present | Mathura, India

My B.Tech journey in Computer Science and Engineering has been an incredible blend of learning . From mastering fundamental concepts in programming and data structures. Collaborative projects and internships allowed me to apply theoretical knowledge to real-world problems. The support and guidance from professors, coupled with the camaraderie of my peers, made this journey not only educational but also immensely rewarding.
